Research Priorities

BRAGATO
RESEARCH INSTITUTE
RANGAHAU KAREPE, WĀINA O AOTEAROA

Leading outcomes for the wine industry
through science – **the next five years**

World-leading research from grape to glass

Our investments

Operating principles during investment and collaboration decisions

- Bragato Research Institute is **owned by and operates for** the wine industry.
- Investment decisions are made with **alignment to strategy** and gaps in the portfolio.
- **Active portfolio management** guides science priorities and investments.
- **Industry outcomes** are key to investment decisions.

Our areas of focus

A science strategy that delivers outcomes for industry priorities
